Re: Town of Kensington Legislative Priorities

Dear Senators and Delegates elect:

Congratulations on your successful election and thank you for your service to our County and State.

We were unable to attend the recent priorities hearing but we would like to communicate our priorities for the upcoming legislative session:

Transportation

- State traffic study to improve traffic flow at congested intersections and improve pedestrian safety
- Preserve and Expand MARC commuter rail service

Commercial Revitalization

- Revise alcohol laws to help attract high quality restaurants
- Greater local authority over commercial development

Historic Preservation

- State funding to preserve Warner Circle property

Utility Reform

- Legislation to enable local government ownership and maintenance of street lighting equipment

Good luck during the upcoming session. On behalf of the entire Council, we thank you for supporting our efforts to improve the quality of life in our community.

Sincerely,
Peter Fosselman
Mayor
